

LUNAR MATHWORKS 52

What you Get

Learn ♦ Practise ♦ Test ♦ Progress

Lunar MathWorks 52 is a flexible, year-long mathematics learning and assessment programme designed to help students **learn their curriculum, practise regularly, revise systematically and progress towards competitive excellence.**

WHAT YOU GET

1. STUDY PACKS – 52 UNITS

Each Study Pack helps students **Learn & Revise** the curriculum progressively. Completing all 52 Units covers the current curriculum while also providing **preparatory learning for the next grade.**

Each Unit includes:

- ♦ Learning Content
- ♦ 5 Downloadable Daily Practice Tests
- ♦ 1 Downloadable Weekly Mock Test + Solution
- ♦ 1 Downloadable Weekly Skill Test + Solution

ACROSS 52 UNITS, YOU GET:

52 Learning Units + 52 Weekly Mock Tests + 52 Weekly Skill Tests + 260 Daily Practice Tests

Flexible Purchase: Buy **one Unit, multiple Units or the complete 52 Units.** Study Packs can also be purchased **without purchasing any tests.**

2. MOVER TESTS

4 Tests per Academic Year

Offline Skill Tests conducted at designated test centres. Students can choose to purchase all, **one or none** of the Mover Tests.

Purchase of Mover Tests is not mandatory for purchasing Study Packs.

3. FLYER TESTS

2 Tests per Academic Year

Higher-level offline Skill Tests conducted at designated test centres. One Flyer Test follows every two Mover Tests.

Students can choose to purchase **all, one or none**.

Purchase of Flyer Tests is not mandatory for purchasing Study Packs.

4. NATIONAL ASSESSMENT

The **final assessment of the Academic Year**, designed in a competitive format.

Top performers can win prizes and recognition.

The National Assessment is an **optional purchase**.

YOU CHOOSE YOUR JOURNEY

Lunar MathWorks 52 is designed to give you the **freedom to choose what you need**.

Start with just ONE Learning Unit → Add more Units → Choose Mover Tests → Add Flyer Tests → Take the National Assessment → Or choose the complete journey.

ONE PROGRAMME. YOUR CHOICE.

Choose the combination that suits your learning goals and budget.

Exercise your discretion wisely. Become a successful learner.
