

LUNAR SKILL ASSESSMENT – MATHEMATICS

Empowering Young Minds Nationwide

AT A GLANCE

- For students in Grades 1–8
- 100% Online – Safe and flexible
- Regular weekly, quarterly, and half-yearly tests
- National-level recognition with medals & certificates

WHY PARENTS CHOOSE US

- Consistent skill-building: Weekly practice keeps learning on track
- Curriculum aligned: Mapped to the NCERT syllabus
- Personal growth: Instant feedback & detailed progress reports
- Competitive spirit: Compete with peers nationwide in a stress-free setting
- Flexible & convenient: Complete tests any time within a 7-day window

HOW IT WORKS

LEVEL	FREQUENCY	FOCUS
Starter	Every Month (4 weekly tests)	Build fundamentals, align with curriculum
Mover	Every 3 Months	Apply concepts, boost problem-solving
Flyer	Every 6 Months	Tackle advanced and analytical thinking

Each test is 30–40 minutes—easy to fit alongside schoolwork.

RECOGNITION & REWARDS

- Digital certificates after completing each series
- Medals for grade toppers
- Recognition at all three levels: Starter, Mover, Flyer

HOW TO REGISTER

1. Go to: <https://marrs.in/>
2. Use the Access Code given to you to complete registration

Prompt registration ensures your child can join the ongoing series seamlessly!

TRACK YOUR CHILD'S PROGRESS

- Immediate feedback and strengths analysis after every test
- Answer keys for correction and improvement
- National percentile ranking for meaningful comparisons

WHAT MAKES US DIFFERENT?

- Continuous learning: Not a one-time exam, but step-by-step skill growth
- Stress-free environment: Supportive, child-friendly test design
- Free preparatory resources provided in advance

LASTING IMPACT

- Develops math confidence and problem-solving skills
- Encourages consistent practice and reflection
- Prepares students for academic success and beyond

Every test is a stepping-stone—helping your child shine in math!
